GRADUATE STUDENT ASSOCIATION BYLAWS

The Graduate Student Association, hereafter referred to as the Association or the GSA, is an organization established under a constitution, first approved by Rice graduate students in 1969, and most recently amended by graduate student vote in the Spring of 1996. In order to provide efficient operation and to ensure smooth transition during changes of Officers of the Association, the following bylaws are hereby enacted:

BYLAW A: GRADUATE STUDENT ASSOCIATION COUNCIL

ARTICLE A-1: GENERAL PROCEDURE

Section 1: Membership

The GSA Constitution establishes the Graduate Student Council (the Council), which acts as the legislative branch of the GSA. The Council consists of one representative from each academic program at the university; provided that students in that program elect or designate a student representative to the Council. For all purposes under this Bylaw, all voting and ex officio members of the Council shall be considered Council members.

Section 2: Meetings

The Council shall hold regular monthly meetings, notice of which is given to all graduate students. It shall also hold special meetings whenever requested in writing by a majority of the Executive Committee or by three departmental representatives.

Section 3: Notice of Meetings

Notice of regular Council meetings shall be given five days prior to the meeting date. Special meetings of the Council require only three days’ notice. An e-mail message to the GSA Representatives listserv is considered fair notice of a Council meeting.

Section 4: Quorum

A quorum of the GSA Council shall consist of eight or more Representatives together with a simple majority of Executive Committee members present at a regular or special meeting about which proper notice was given unless overridden by a specific provision of these bylaws.

Section 5: Form of Council Legislation

Any resolution adopted by the Council shall include the title of the proposal, the date it is introduced in the Council, and the names of the Council member(s) introducing it. It shall also include the date the proposal is adopted by the Council and made publically available on the GSA website and stored in both internal GSA digital storage and with the Woodson Research Center archive.
ARTICLE A-2: ELECTIONS

Section 1: Election Meeting
The Council shall hold its annual election meeting at the regular March Council meeting of each year. At such meeting, the Council shall elect the Executive Committee of the Council. The Parliamentarian of the Council shall chair the election meeting.

Section 2: Candidates for Executive Committee
All candidates for positions on the Executive Committee shall submit an application for the office(s) sought to the Parliamentarian or Vice President of Administration of the Association prior to the election meeting. The Council may accept at the election meeting additional nominations of candidates for office on the Executive Committee. Applications for each office shall be available on the Graduate Student website.

Section 3: Term in Office
The term in office for each elected position and each committee appointment shall commence on April 1 and shall end on the following March 31.

Section 4: Vacancies
Any vacancy in an elective position or on a GSA or university committee shall be filled at a regular or special meeting of the Council.

Section 5: Removal
The Council may remove any executive officer of the GSA through the procedure outlined in Article Eleven of the Association's Constitution. The Council may remove any member of a GSA standing committee by a simple majority vote of the Council, unless another procedure for removal is specified in the bylaw governing the committee. However, no vote on removing officers or committee members shall take place unless notice of the proposed removal was given to graduate students less than 20 but more than 10 days before the removal vote.

Section 6: Voting
All elections and committee appointments shall be decided by a simple majority of votes cast by departmental representatives at the election meeting, with the Parliamentarian of the Council casting a tie breaking vote. A representative may not vote absentee or by proxy.

BY-LAW B: COMMITTEES

ARTICLE B-1: GRADUATE STUDENT POSITIONS ON UNIVERSITY COMMITTEES
Section 1: Selection procedure for University Court

The Council shall elect students for positions on the University Court according to the following procedure:

1. The positions available and the deadline for applying for each position shall be announced by the Council and appear on the GSA web pages and be posted to the GSA announcements. Applications for each position shall be available in the Graduate Student Association office.

2. For the University Court positions, after the deadline for a position has passed, the Vice-President of Student Advocacy shall select from the applicants no more than eight nominees for consideration by the Council. The names of the nominees approved by the Council shall be submitted to the University Court.

Section 2: Selection procedure for Honor Council

The Council shall elect students for positions on the Honor Council according to the following procedure:

1. Each Spring, the newly-elected Honor Council President will appoint a graduate student point of contact, who is a graduate student member of the Honor Council OR contact the GSA Parliamentarian (henceforward, POC). This role serves two main functions:
   1) The POC acts as a liaison between the officers of the GSA and the Honor Council
   2) The POC acts as a recruiter for Honor Council graduate (excluding JSA) vacancies

2. As positions for graduate members become available within the Honor Council, the Honor Council officers shall contact the POC. The POC will then advertise the position through announcements on the GSA website and through the weekly email announcements. The POC will meet with all interested candidates, excluding members of the JSA (interested persons from the JSA will be forwarded to the JSA President by the POC). This meeting will serve to both, interview the candidate, as well as inform the candidate of the responsibilities of the position. At the following GSA Council meeting, the candidates will be introduced to the council by the POC, and the POC shall inform the Honor Council officers of all candidates appointed by the GSA Council.

3. The GSA has allotted 4 of their 14 spots to the JSA. The JSA is free to select their representation as they choose, and the JSA president will forward their selected members to the Honor Council directly.

Section 3: Selection procedure for other university boards and committees

The Council shall recommend students for positions on university boards and committees according to the following procedure:

1. The positions available and the deadline for applying for each position shall be announced by the Council and appear on the GSA website and be posted to the GSA announcements. Applications for each position shall be available on the Graduate Student Association website.

2. After the deadline for a position has passed, the President of the Association shall select from the applicants nominees for consideration by the Council. The names of the nominees approved by the Council shall be submitted to the office of the Provost and the office of the President of the University. The final decision on each position rests with the President of the University.
Section 4: Reports

1. The graduate student members of each university board or committee shall report on the first of each month to the Vice President of Student Advocacy. The Vice President of Student Advocacy shall ensure that these reports are submitted and shall present them to the Council. Each report shall describe the committee's activities and may recommend changes in the committee's authority, duties, or procedures.

2. If a committee has more than one student member, the student members may choose one of their own number to report to the Vice President of Student Advocacy.

3. The student members of each committee are responsible for knowing which actions of the committee should be made public.
